

MINIBECKIA™
RUDBECKIAS

Why choose Rudbeckia **MiniBeckia™ Flame?**

This new Rudbeckia is just the flair (or Flame) that every landscape needs! This hot new plant is self-branching with a compact habit, reaches 18-24", and will show continuous bloom for 8+ weeks. Watch this plant quickly become an industry favorite, from Rick Grazzini and the breeders at GardenGenetics®.

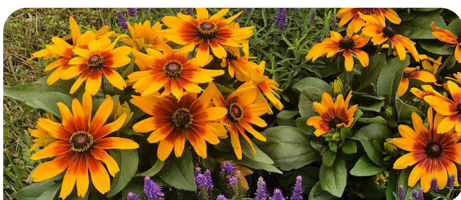

Genetic Breakthrough

4-6", semi-double flowers on a well mounded, densely branched habit

Trialed & Triumphed

UGA Classic City trial winner, recognized as a trial favorite across the country

Grower Friendly

Plant 1 plant per pot to finish in approximately 8-12 weeks
