

CHERRY DELIGHT, USPP 34,219

Lagerstroemia GREATMYRTLE™

Why choose Lagerstroemia GreatMyrtle™?

Choose from four delectable colors, Cotton Candy, French Vanilla, Red Velvet and Cherry Delight. Watch this innovative new plant bloom in your garden or on your patio all summer long. Great for use in the garden, zone 5b or warmer, or in planters as a patio accent. This groundbreaking new series is brought to you from the breeders at GardenGenetics®.

COTTON CANDY

Early and Hardy

Great for use in the garden, zone 5b or warmer, or in places as a patio accent.

FRENCH VANILLA,
USPP34,246

A+ Flower Power

These blooming machines will perform strong all season, with large flowers on a small stature plant (30-36").

RED VELVET

Stunningly Versatile

Varieties mature at 24-36" in the landscape, the hotter and more humid the better they perform! Great as a foundation shrub, accent, mass planting, and look lovely as a patio plant!

Features

- Heavy flowering, from late June to heavy frost
- Flowers on an umbrella-like canopy
- Root-hardy to at least zone 5, new growth from old wood zone 6 & above
- Densely branched & sturdy
- Die-back perennial, root-hardy to at least zone 5b
- Minimal annual pruning required in the landscape
- Can be sold **in bloom** for Mother's Day from Florida-produced containers
