

# Flexi™ Series

COLEUS GardenFest™

## Introducing the Flexi™ Series

We're thrilled to introduce the Coleus Flexi™ Series, with their stunning foliage and late flowering, these coleus will bring a burst of color to gardens all summer long. Thanks to the innovative breeding efforts of GardenGenetics®, which specializes in creating new varieties of annuals, perennials, flowering shrubs, small trees, vegetables, and culinary herbs.

Flexi™  
'Cinnamon'

COLEUS GardenFest™
