

FlowerPower LEUCANTHEMUM

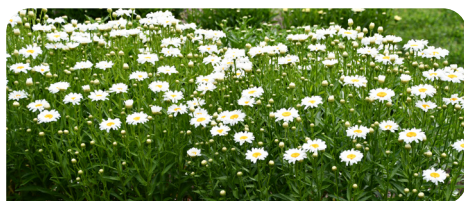

Why choose Leucanthemum FlowerPower^{PP35,425}?

Leucanthemum FlowerPower has a lot to offer the landscape and container world. This lovely new Leucanthemum, is another fine addition from the breeding of Brent Horvath of Intrinsic Perennials, brought to you by GardenChoice™. In trials this plant has shown stunning performance with an overabundance of 2-3" white with yellow flowers on strong and sturdy stems.

Garden Favorite

Blooming in abundance summer through fall with 2-3" bright white flowers.

Stand-up Stunner

Mature flowers keep standing straight up and don't bend over during the retail phase!

No-Wait Blooms

Proven in trials and gardens across the country, FlowerPower™ is 1st year flowering.
